IPA

4. Financing

National Programme for Croatia under the IPA – Transition Assistance and Institution Building Component for 2009

5. Contracting Authority

Central Finance and Contracting Agency

6. Nature of contract

Fee-based

7. Contract description

The project is designed to implement the strategy by targeting at the following priority areas: Preparatory activities for the establishment of the quality documentation system and Business Statistics with sub-projects on energy, short-term statistics and business statistics (MEETS). These statistical domains are considered as priority both by the Central Bureau of Statistics of Croatia and by Eurostat. Due to the growing demand from users and stakeholders on increasing quality of statistical indicators, there is a need to establish a Quality Documentation System at CBS, based on the European Statistics Code of Practice.
