6. **Nature of contract**

7. **Contract description:**

Purpose of the contract is the procurement of general laboratory equipment, process monitoring and analysis equipment, bioprocessing and downstream processing equipment, laboratory furniture, office furniture and IT equipment which will be installed in the newly constructed Biosciences Technology Commercialisation and Incubation Centre (BioCentre) where BioCentre headquarters and BioCentre tenants will be situated. Subject of the contract is supply, delivery, installation, testing, training and after-sales services.

BioCentre is envisaged as a high-technology incubation and business development support institution that will create a network of all necessary knowledge, skills and corresponding material resources essential to supporting establishment and growth of knowledge-based enterprises (start-ups and SMEs) in the area of biosciences. The BioCentre will provide specific support in terms of scientific infrastructure, technological transfer, education and networking in the field of biotechnology to the target group of users: universities, scientific institutions, but also biotechnology and life sciences start-ups.

The BioCentre is going to be located in Zagreb, Borongaj area. Total indoor gross floor area of the building will be approximately 5 440 square meters, consisting of the ground, first and second floor. The building will include laboratory and office space.

8. **Numbers and titles of lots:**

The contract is divided into lots:

Yes, number of lots: 6.

Lot 1: general laboratory equipment.

Lot 2: process monitoring and analysis equipment.

Lot 3: equipment for bioprocessing and downstream processing.

Lot 4: laboratory furniture.

Lot 5: office furniture.

Lot 6: IT equipment.
