No more than 1 application can be submitted by a natural or legal person whatever the form of participation (as an individual legal entity or as leader or member of a consortium submitting an application). In the event that a natural or legal person submits more than 1 application, all applications in which that person has participated will be excluded.

The following selection criteria will be applied to candidates. In the case of applications submitted by a consortium, these selection criteria will be applied to the consortium as a whole:
- 1) Economic and financial capacity of candidate:
In the case of the applicant being a public body equivalent information should be provided:
1. the annual turnover of the candidate for the years 2007 and 2008 must be equal to or exceed 1 000 000 EUR;
 2. the cash and cash equivalents of the candidate at the end of the years 2007 and 2008 are positive.
- 2) Professional capacity of candidate:
1. at least 4 staff currently work for the candidate in fields related to this contract (development of SMEs and development of business support services);

Each of these 2 fields must be covered by at least 2 projects. 1 project may cover more than 1 field;
 2. the projects must have been implemented in a country eligible under the IPA programme (EU Member States, Member States of the European Economic Area, Albania, Bosnia and Herzegovina, Croatia, the former Yugoslav Republic of Macedonia, Kosovo under UNSC Resolution 1244/99, Montenegro, Serbia and Turkey);
 3. the projects must have been with a budget (own contribution) equal to or exceeding 1 000 000 EUR.

It must in that case prove to the contracting authority that it will have at its disposal the resources necessary for performance of the contract, for example by producing an undertaking on the part of those entities to place those resources at its disposal. Such entities, for instance the parent company of the economic operator, must respect the same rules of eligibility and notably that of nationality, as the economic operator.
- If more than 8 eligible candidates meet the above selection criteria, the relative strengths and weaknesses of the applications of these candidates must be re-examined to identify the 8 best applications for the tender procedure. The only factors which will be taken into consideration during this re-examination are:
- 1) the total number of projects managed by the candidate according to criterion 3;
 - 2) in case of competition between 2 or more candidates having the same number of eligible projects, the candidates will be ranked in descending order according to the total amount of their own contribution to the eligible projects.
