Tenderers may not submit a tender for a variant solution in addition to their tender for the supplies required in the tender dossier.

11. Tender guarantee

Tenderers must provide a tender guarantee of 3 500 EUR for Lot 1, 3 200 for Lot 2, 400 EUR for Lot 3 and 1200 EUR for Lot 4 when submitting their tender. This guarantee will be released to unsuccessful tenderers once the tender procedure has been completed and to the successful tenderer(s) upon signature of the contract by all parties. This guarantee will be called upon if the tenderer does not fulfil all obligations stated in its tender.

12. Performance guarantee

The successful tenderer will be asked to provide a performance guarantee of 10% of the amount of the contract at the signing of the contract. This guarantee must be provided together with the return of the countersigned contract no later than 30 days after the tenderer receives the contract signed by the Contracting Authority. If the selected tenderer fails to provide such a guarantee within this period, the contract will be void and a new contract may be drawn up and sent to the tenderer which has submitted the next best compliant tender.

SELECTION AND AWARD CRITERIA

16. Selection criteria

The following selection criteria will be applied to tenderers. In the case of tenders submitted by a consortium, these selection criteria will be applied to the consortium as a whole:

1) Economic and financial capacity of tenderer (based on i.a. item 3 of the Tender Form for a Supply Contract):

a) the annual turnover of the tenderer for the last year (2006) must be at least two times of the submitted financial proposal

b) the cash and cash equivalents of tenderer at the end of last year and year before last (2005, 2006) are positive

2) Technical capacity of tenderer (based on i.a. items 5 and 6 of the Tender Form for a Supply Contract)

(a) the tenderer has successfully completed at least one contract with the budget of at least that of his financial proposal for this tender in the past three years (2004, 2005 or 2006)

An economic operator may, where appropriate and for a particular contract, rely on the capacities of other entities, regardless of the legal nature of the links which it has with them. It must in that case prove to the Contracting Authority that it will have at its disposal the resources necessary for performance of the contract, for example by producing an undertaking on the part of those entities to place those resources at its disposal. Under the same conditions, a consortium of economic operators may rely on the capacities of members of the consortium or of other entities.
