Open

3. Programme

IPA

4. Financing

National Programme for Croatia under the IPA – Transition Assistance and Institution Building Component for 2007

5. Contracting authority

Central Finance and Contracting Agency

6. Contract description

The purpose of this contract is the procurement of the spectrum monitoring equipment for the upgrade of the existing systems in order to keep in step with modern digital technology. This is another important step in the reinforcement of the Agency. This will provide more operational monitoring of frequencies and provide effective protection from harmful interference, both intentional and non-intentional, and also help protecting the environment by controlling and preventing unnecessary electromagnetic emission in digital environment.

7. Indicative number and titles of Lots

Lot 1 - Hardware

Lot 2 - Software
